**Comments:** Nil

**Presidents Report:**

**Welcome club members to the RTSC 2020 AGM!**

2020 – what an unprecedented year and hopefully one we will not have to endure again in our life time. This could be the first year that the club has not run for the season?

With not a lot to report this year I would just like to thank the current committee for their ongoing efforts this year, it was a challenge to say the least.

I really hope the six a side competition gets off the ground early next year and get the players back in, interested and a bit fitter for the start of the 2021 season!

As everyone's aware I will be stepping down this year

The last 17 years has been quite a journey with the club.

I have celebrated the highs of winning premierships to the lows of taking home the dreaded wooden spoon.

I have made many friends and worked alongside a lot of great people to keep this club going.

Many of us have helped coach and volunteer over the years and watch our children and our friend's children play and enjoy the sport, its great watching them go from mini roos through to competition and growing from toddlers through to young adults.

A lot of us together have celebrated Presentation nights, Karaoke nights, Anniversaries and fundraising nights and had a blast doing it!

Today is my last day as President and I will be taking a well-deserved break.

I have thoroughly enjoyed the time I have spent with the club.

I would like to thank everyone that has helped us out over the years coaching, managing, canteen, duty officers etc and hope that continues into 2021.

The club is in a good place and can only get better, if you have passion and drive to help the club succeed going forward, I urge you to get on board the committee for next season!

With the King park masterplan to take shape into the future the facility will become one that many clubs would love to have!

I will miss you all next season but I am sure you will still see me around supporting or helping out when I have time.

Good luck and best wishes to the committee for 2021

Up the RANGERS!

**Treasurers Report:** Presented by Ashley Wade

Tonight, I will present to you the 2020 treasurer report.

I would like to take a moment to personally thank, my fellow committee members for what has been the most testing year of my time apart of this Soccer Club, Not running the season was one of the hardest decisions and it was a decision that was not taken lightly.

To those committee members who have decided not to re-join the committee, I would like to tank you personally for all that you have given the club is the past years and I respect and understand each of your decisions.

PUMPKIN- Jason Congratulation on the awarding of your life membership, I know that you are not one that likes to be in the spotlight, but pumpkin you decisive this accolade, you where the reason I got on to the committee all those years ago, (OOOHHH dear) and I thank you from the bottom of my heart for all that you have done for RTSC and all that you will continue to do for the club.

Now to the dollars and Cents

The Bank Accounts as at the 30th September 2020

Seniors \$13703.07

Juniors \$57887.92

Fix Term Deposit \$11 904.63 reported actual (13,626.85)

Debit Account \$1583.49

**PROFIT & LOSS INFORMATION:**

I have provided the profit and Lost information Prepared by the Clubs Accountants

2020 has look a major hit, not only from the pandemic but from 2019, This year the 2020 committee unanimously decided to right off the 2019 bad debts, the bad debts occurred from the outstanding player registration Payments from the 2019 season the amount totalled \$10,630.49

This year as we cancelled the season we gave all players the choice of a refund or a credit note, I'm happy to report that a large number of people decided for a credit note this is listed on the accounts.

I have asked the following questions for the accountant with the 2020 Report to which I am awaiting a reply

What are we showing a float when the float was re-banked at the end of the season. Also to provided the correct figure in the Fix term Account information.

Taking a further look at this report, I don't feel that there is anything further to which I have to go into detail with.

2021 will be a difficult season as we will have to rebuild the club after closing the season early due to the pandemic, I'm sure those of us who will be re elected tonight will try 110% to rebuild this great club.

Thanks Again Ash

### **Life Membership Presentation: Jason Cameron**
